* Admission interview is only for external student applicants. For TCU students applying to the MAc program, the admission interview is waived. ** Scholarships are available in the form of graduate assistant funding. Students receive a tuition waiver in exchange for working up to 10 hours a week for an assigned member of the Department of Accounting. *** MAc students are encouraged to start the program in summer or fall semesters. Only students in the Assurance or Advisory concentrations can begin the program in the spring semester. Tax Concentration students must begin the program in summer or fall semesters. **** Requires the completion of additional evening classes.
