** Courses listed above are provided as a **sample sequencing order only** and may not apply to all students. Please meet with your academic advisor for a personalized plan. Be advised, as stated in the University Undergraduate Catalog, " Faculty, Academic Advisors, and Deans are available to help students understand and meet academic requirements for a degree, but the students themselves are responsible for understanding and fulfilling them. The degree will be withheld pending adequate fulfillment if requirements are not satisfied.

Thus, it is essential that each student becomes familiar with all requirements and remains informed throughout their college career.
