

Major in Management

Your major will get you your first job, but as you advance to management, we'll help you be prepared to lead.

Take a look at the careers listed on the right. What do you notice? Almost all are managers. Since most careers involve managing people as you advance, the Management major prepares you for life-long success.

You can also combine it with another business major and get the skills you need to establish yourself as a leader in your field. Don't just start your career. Advance it. Your future starts today.
